

# Human Sexuality Project - Naugle

**Purpose:** To use a song or a portion of a song that relates to you and how you feel about relationships.

**Grades:** This is a 100 point project. For every day it is late, there will be a 20 point reduction.

**Task:**

1. Find the song and/or stanza.
2. Make a poster that is **larger** than 8 ½ x 11 (that is the size of printer paper) that has your song or stanza on it. It should be neat and decorated; meaning, I can hang it on my walls and use your creativeness to make my room a prettier place.
3. You are going to right a ½ - 1 page synopsis of how and why that song relates to you. **THIS PORTION WILL NOT BE SHARED OR HUNG UP FOR ANYONE TO SEE.** The font size can be no larger than 11. Do not move the margins or the spacing, don't forget, I am a genius on a computer and can see that junk a mile away! Your written portion should be larger than the box on this paper.
